Refund and Return Policy

Effective November 5, 2026

We want you to feel good about working with I.Q. Productionz. This policy explains when refunds, returns, and cancellations apply. Please contact us first with any concern, and we will work with you to make it right.

Website and project deposits

- Your 50% deposit reserves your project and covers the start of the work.
- If you cancel before we begin work, your deposit is refunded in full, minus any payment processing fees we cannot recover.
- Once work has begun, your deposit is non-refundable.
- If we are unable to take on or complete your project, we will refund any amount paid for work not delivered.

Completed services

Final balances are non-refundable once work has been delivered and approved. If something is wrong with the work we delivered, tell us and we will correct it.

Sessions and classes

- Sessions may be rescheduled with at least 24 hours' notice.
- Missed sessions, and cancellations with less than 24 hours' notice, are non-refundable.
- Certification classes are non-refundable once the class has begun.

Digital products

Because digital products can be delivered and copied right away, all sales are final. If a file is damaged or does not work, contact us and we will replace it.

QR Platform

Static QR codes are free. Paid actions, including redirect changes and scan statistics, are non-refundable once applied. If a paid action fails because of a problem on our side, we will fix it or refund that charge.

Physical products

- Unused items in original condition may be returned within 14 days of delivery.
- Email us before sending a return. Customers pay return shipping unless we made an error.
- Refunds go to your original payment method after we receive and inspect the item. Original shipping costs are non-refundable.
- Opened oils, personal care items, custom orders, and sale items are final sale.
- If your item arrives damaged or incorrect, email us within 7 days with a photo, and we will replace or refund it at no cost to you.

Subscriptions

You may cancel a monthly or yearly subscription at any time by emailing us at least 3 days before your next billing date. Cancellation stops future charges. Charges already processed are non-refundable, and your service continues through the end of the paid period.

Hosting and domains

Domain registration and transfer fees are non-refundable once submitted to the provider.

How refunds are issued

Approved refunds go back to the original payment method when possible. Timing depends on your bank or payment provider, and it usually takes 5 to 10 business days after we process the refund.
