Terms of Service

Effective November 5, 2026

These Terms of Service apply when you use iqproductionz.com, buy a product, book a service, or use the I.Q. Productionz QR Platform. "We," "us," and "our" mean I.Q. Productionz. By using our site or paying us, you agree to these terms.

1. Our services and products

We offer website design, specialty HTML, hosting and domain help, QR codes, digital products, physical products, creative services, and metaphysical services such as SELC Reiki sessions and certification. Current prices appear on our Rates and product pages.

2. Quotes, deposits, and payment

- Most projects begin with a 50% deposit, and the balance is due on delivery.
- Custom websites are $350 flat, with a $175 deposit due when you submit your intake form.
- We accept card payments through Stripe, plus Cash App and PayPal.
- Work begins after your deposit is received. If you pay by Cash App or PayPal, we may ask you to upload a payment screenshot, and we confirm the payment before starting.
- Some services are billed as monthly or yearly subscriptions. These renew at the listed amount until canceled. See our Refund and Return Policy.

3. Timelines and your materials

Turnaround times, including our 72-hour website turnaround, begin once we have your deposit and the content we need from you. Delays in sending materials or approvals can extend the timeline.

You are responsible for the text, logos, photos, videos, and links you give us. By sending them, you confirm you have the right to use them and that we may use them to complete your project.

4. Files you upload

Files sent through our intake form are stored privately and kept for up to 180 days, unless we delete them sooner. Individual files may be up to 25 MB. Please keep your own copies. Videos and larger files should be shared by link.

5. QR Platform

- Static QR codes are free, and their destination cannot be changed after creation.
- Dynamic QR codes require an account and work on a pay-as-you-go basis, with no monthly fee. Changing a redirect is $25 and viewing scan statistics is $5.
- Test each code before printing. Scanning can vary with design, size, and device, and we are not responsible for printing costs from untested codes.
- You may not use a QR code to mislead people, spread harmful content, or break the law. We may disable any code that does.

6. Hosting and domains

Domain and hosting services may rely on outside providers, and their terms and renewal rules also apply. Annual services must be renewed on time to stay active.

7. Metaphysical services and products

Reiki, healing sessions, orgonites, crystals, oils, and related offerings are spiritual and wellness offerings. They are not medical, psychological, or legal advice, and they do not diagnose, treat, or cure any condition. Keep following the advice of your licensed providers.

8. Ownership

Once your project is paid in full, you own the final deliverables made specifically for you. We keep ownership of our pre-existing tools, code, templates, and methods, and we grant you the right to use them as part of your project. We may show completed public work in our portfolio unless you ask us not to. Digital products are for your own business use and may not be resold or shared.

9. Acceptable use

Do not use our site or services for anything unlawful, deceptive, or harmful, or try to interfere with our systems or payments.

10. Disclaimers and limits

Our site and services are provided "as is." We do not guarantee specific business results, rankings, sales, or uninterrupted service. To the fullest extent allowed by law, we are not liable for indirect or consequential losses, and our total liability for any claim is limited to the amount you paid us for the service or product involved.

11. Governing law

These terms are governed by the laws of the State of Texas. Any dispute that cannot be resolved directly with us will be handled in the courts of Harris County, Texas.

12. Changes and contact

We may update these terms and will post the new version with its effective date. Questions are welcome:
